

# Hosted VoIP Florida

A service of TelcoSolutions

State of the art Hosted VoIP solutions for Florida businesses

*Specialized communication professionals with over 100 years of combined experience providing voice, internet & VoIP solutions to business clients since 2003.*

Hosted VoIP Florida is focused on providing our clients with multiple solutions, better than retail prices, and expert analysis of products and carriers.

Since 2003, TelcoSolutions has filled the role of expert telecom & technology advisor to hundreds of firms both in the Southeastern US and nationally. With our "carrier neutral" approach, we have saved our client companies hundreds of thousands of dollars while increasing their service levels and accomplishing this through an entirely turnkey process.

*Florida's #1 Business Telecom Solution!!*
